

### **Halimas Infatuation F 28865 by Fayrid (Imp USA)**

X Kaptivation

Halimas Infatuation is a gorgeous daughter of Fayrid (Imp USA), a handsome young black Straight Egyptian stallion whose progeny have been sold to The Middle East, Malaysia and New Zealand. Fayrid is defined by his distinctive refinement and quality, extreme athletic movement and beautiful head with huge eyes. Fayrid's sire Faahim, had been a Top Ten winner at Scottsdale and Reserve Champion at the 2004 Egyptian Event in World Class Stallions. Faahim promised to be one of the breeds top show and breeding horses, tragically he was lost in December 2005 in a transport accident shortly after export from USA to Saudi Arabia. Fayrid's dam, MB Shareena is a mare of classic beauty with an equally classic pedigree, she is a daughter of the exotic German stallion Imperial Madheen who is world renowned for producing Champion offspring with extreme type. MB Shareena's tail female line traces back to the superb broodmare Maar-Ree who carries the precious blood of Prince Mohammed Aly's renowned breeding programme. Dam of Halimas Infatuation is the beautiful mare, Kaptivation, by Australian and US National Champion Stallion Fairview Klassique. This gorgeous dark bay filly is a potential top show filly and comes from a family that consistently produces Champions. Kaptivation is also the dam of Halimas Kaptivation, Supreme Female at the 2004 Queensland Challenge Show. This filly is tall, with extreme movement and presence
